1. On 18 October a letter was received from Subject stating that he would no longer work for us. We learned through ODOPAL how Subject had reached this somewhat abrupt decision. On 1 October 1960 Subject's wife reported to the Kriminal Polizei, Düsseldorf, that her husband was involved in an unspecified act of treason. It seems that Frau STIKINEROS had opened a letter addressed to her husband requesting a meeting in Frankfurt and containing DM 100. Her suspicions aroused, she wrote her husband demanding an explanation. In reply, she received a letter in which he stated that he was employed as a maildrop by AIS in Frankfurt. Copies of both letters were given to the Kriminal Polizei. 2. In view of the above, please cancel STIKINEROS' POA.
